

Where **passion** meets **precision**.™

Innovation that inspires.

Liquid CO₂ Glass Froster Drainboard Cabinet

Model No. KR24-MF18

Chills glasses instantly to maintain ideal cocktail serving temperature, improved taste profile & enhanced presentation.

Sanitize

Super-cooled liquid CO₂ kills bacteria and eliminates odors & residue left behind from soap & dish detergent.

Neutralize

Cools warm glasses instantly. CO₂ is a dry gas which leaves no condensation and prevents drinks from becoming diluted.

Retrofit

Can be easily retrofitted to any existing bar layout.

CO₂ tank stored in locking cabinet.
18" unit includes froster and rechargeable battery.
AC plug optional. CO₂ tank not included.
