

ROYAL SERIES

JET RINSER

We've made improvements to our glass rinser with our newly designed Jet Rinser. We created a solution that will survive the harshest of conditions. Designed with 2x thicker disk, all stainless steel components, nylon rubber fittings, rubber gaskets, and a stronger spring. The rinser now also includes an integrated standard pressure reducer (15psi).

Integrated pressure regulator

360° swivel rinser plate

Rubber sleeve helps prevent liquid seepage

Removable plate for easy cleaning
