

1/2" Locknut with Set Screws

ROYAL SERIES

Model	Description
21-182	1/2" Locknut with Set Screws

Standard Features

- Integrated holes for set screws allow the locknut to be firmly locked in place
- Perfect for cramped installations where a wrench can't fully turn the nut; users can use the set screws to firmly secure it
- Set screws are designed for a phillips head screwdriver, making tightening simple with a tool everyone has on hand
