

Antibacterial Lever Handle Kit

ROYAL SERIES

Standard Features

- Krowne's Antibacterial Faucet Handle Kit comes with two Royal Faucet handles, coated with an antibacterial agent that contains active ingredients which makes it effective against bacterial and fungal growth. The application of the antibacterial agent also helps stop the growth of organisms, such as staphylococcus and escherichia coli.
- Includes (2) faucet handles (screws and hot/cold indicator caps not included)
- Fits all Krowne faucets
- 3 year warranty
