Standard Features

- Curated for maximum efficiency, speed units are designed by bartenders, for bartenders. These stations increase cocktail output by providing more access to ingredients and equipment right in front of each bartender
- Backsplash 6-1/2", 1-1/2" deep
- High performance speed rinser (16-440)
- Perforated stainless cutout
- Optional cabinet base with locking door on most units
- Non-slip flush-mounted cutting board included with some units
- Tool Well with dipper well faucet (16-149)
