Regulator Panels with FOBs

MASTERTAP

Standard Features

- Allows for a simple way to route beer lines, while maintaining a uniform installation within your walk-in cooler
- Panels come standard with NSF approved FOB, which prevents beer loss
- FOB has a protective strainer along with a vent rinse manifold for easy maintenance
- Includes tamper-proof, industry leading regulator, anodized with custom british racing green
- Manifold is designed to allow repair or replacement of the regulator body in the field with ease
- Panels are pre-drilled and made up of NSF approved material, starlite board, that can be sealed directly to cooler wall
- Significantly less pressure drop compared to the competition means less foam and more profit
- Each Regulator Panel includes air hose, beer connector(s), nuts, tailpieces, washers, and hose clamps

Model	Overall Length Ⓐ	Width Ⓑ	# of Beer Lines	Weight (lbs)
KBP-F1	17"	11"	1	6
KBP-F2	17"	11"	2	8.5
KBP-F3	17"	22"	3	14
KBP-F4	17"	22"	4	18
