BLENDED BAR DESIGN

Our Premium Bar Series was built with flexibility in mind sharing the same 24" standard depth so bar designers can mix & match between Alchemy Series, MoveWell Series, and Royal Series. Perfectly aligned backsplashes allow for seamless transitions. Need corners or custom angles? Integrate our Royal Series for a beautiful finish.

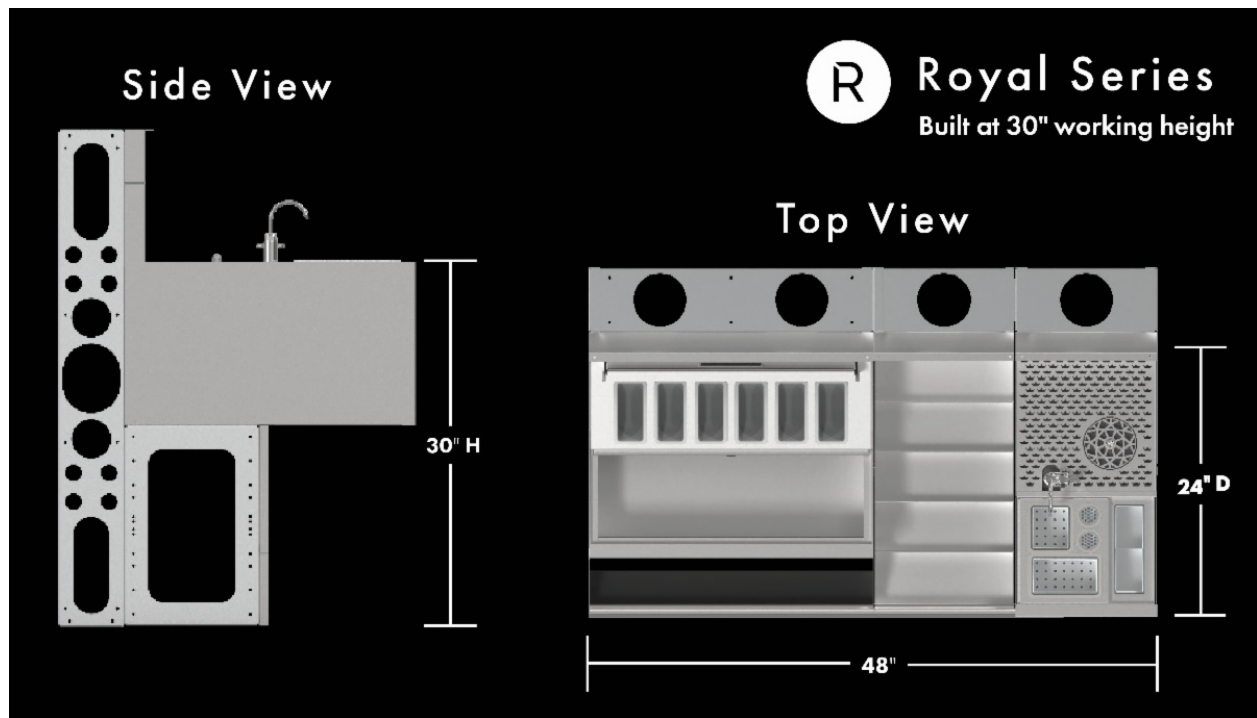

R Royal Series

A Alchemy Series

M MoveWell Series

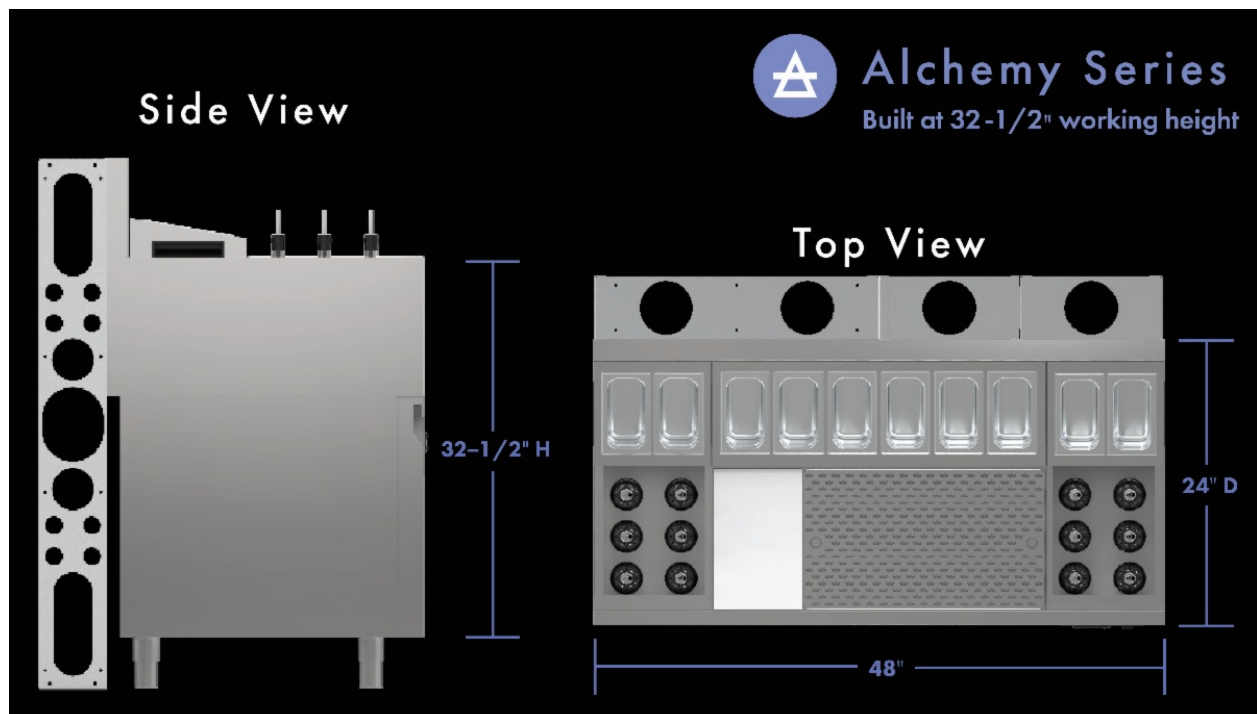

SERIES COMPARISON

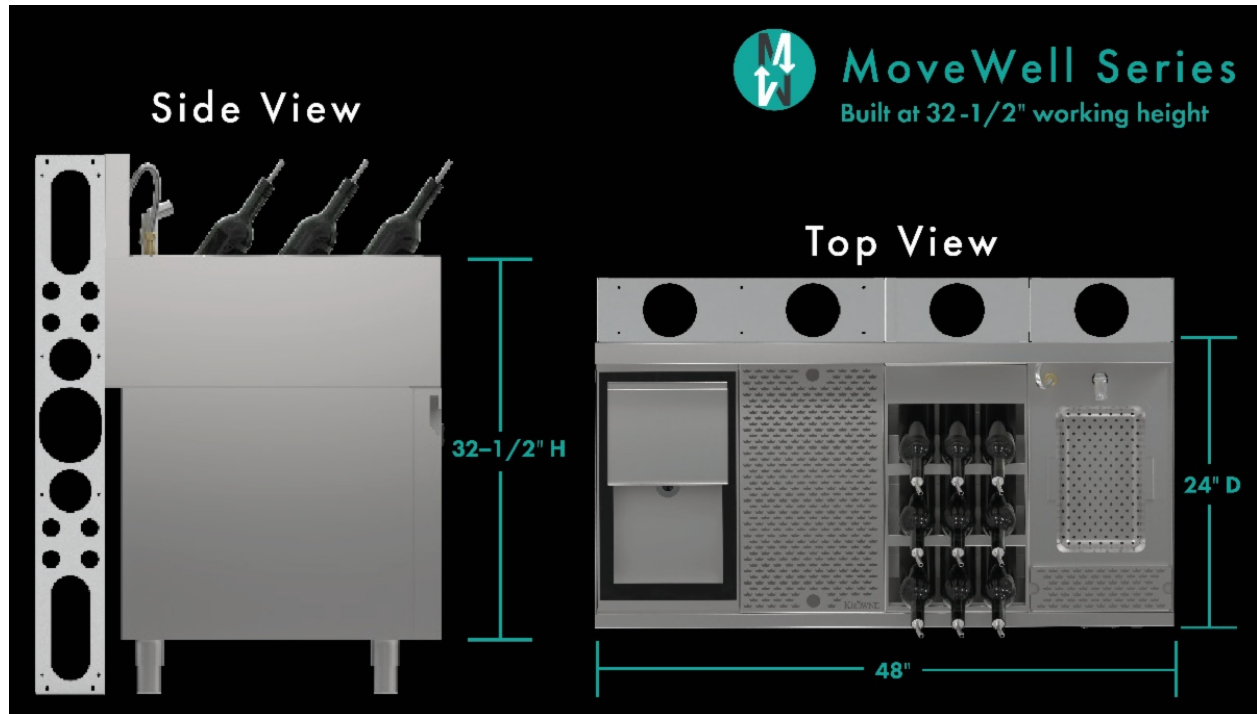

Features

- Offers a wide range of standard & custom solutions for bartenders.
- Over 1,000 pieces available with 30" working height & 19", 24", & 29", front-to-back depth options.
- Designed with perfectly aligned backsplashes to allow seamless transitions that can be easily paired with [Alchemy](#) & [MoveWell](#) Series equipment.

Features

- Built to deliver high-end performance & efficiency in upscale commercial bars & restaurants.
- A selection of fully equipped workstations, including garnish, elixir & bitter solutions, ultra low profile refrigeration, integrated worktops, & cabinet bases.
- 32.5" working height with 24" front-to-back depth, providing ergonomic functionality & the flexibility to mix & match with other series to create a seamless workstation.

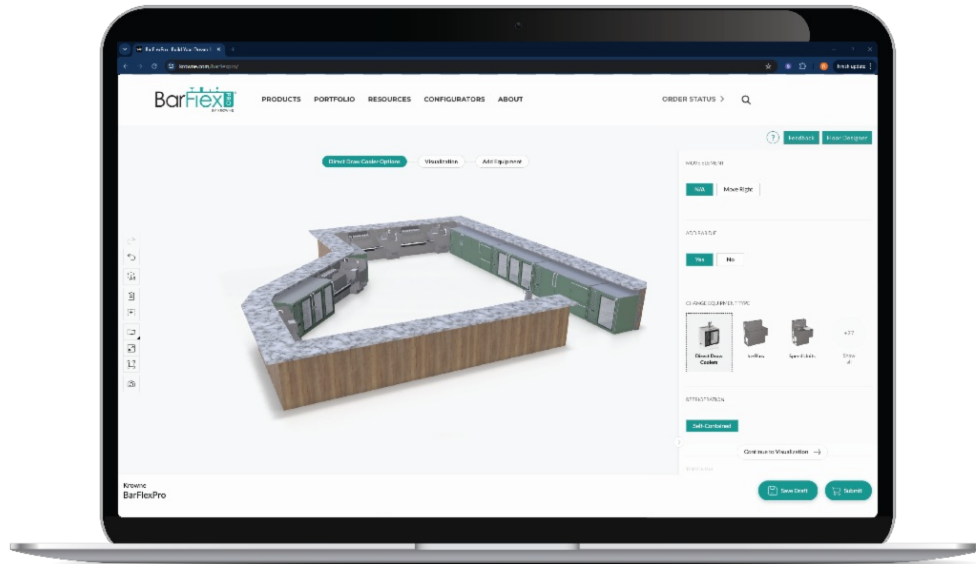

Features

- Includes modular, adaptable components, ideal for works spaces that require frequent adjustments.
- This series allows for easing modification of workstations, improving, workflow, & supporting, long-term ergonomic comfort.
- 32.5" working height & 24" front-to-back depth allowing seamless integration with [Royal](#) & [Alchemy](#) Series.
