Introducing...

We have unveiled our new cutting-edge innovation with the announcement of **BarFlexPro**. This state-of-the-art configurator revolutionizes the process of designing and customizing bar setups, offering an unparalleled level of flexibility and efficiency for businesses in the hospitality industry.

The **BarFlexPro** configurator empowers users to effortlessly create tailored bar layouts, taking into account specific space requirements, design preferences, functional needs and overall design.

With a user-friendly interface and a vast array of customizable options, establishments can optimize their bar spaces for maximum efficiency and aesthetics, turning their dreams into reality.

Floor Designer is a fully configurable design platform that empowers businesses to efficiently plan and optimize their restaurant or bar layout before it even exists.

The integration of **FridgeFlex** and **BeerFlex** brings a new level of versatility and adaptability to this cutting-edge configurator. Users can now utilize our patented drag and drop feature to place refrigeration, bars, and furniture anywhere in the design with ease.

Floor Designer is the epitome of user-friendly, allowing users to easily experiment with seating arrangements, table placements, and overall spatial design to create the optimal and inviting bar or restaurant of their dreams.

New Product!

KR-GT24

The new **Condiment Tray with 10-Garnish Cups**, featuring a convenient chill pack and cover, is a game-changer for bars and restaurants aiming to elevate their beverage service.

This thoughtfully designed tray provides a stylish and practical solution for organizing and presenting garnishes. The inclusion of ten garnish cups allows for a diverse array of options, catering to the unique needs of any establishment.

The integrated chill pack that sits directly underneath the garnish cups ensures that perishable items stay fresh, enhancing the overall quality of cocktails and beverages. Accompanying the tray is a built-in cover that protects the contents and also adds a professional touch to the presentation.

The **Condiment Tray** fits perfectly on our KR24-GSB3 models and is a testament to our commitment to innovative and functional solutions. It is a must-have accessory for establishments aiming to enhance the visual appeal and freshness of their drinks.
