4" Center Lavatory Faucets

Our **4" Center Lavatory Faucets** offer a perfect blend of style, convenience, and durability for commercial restroom applications.

General Features:

- **Mounting:** 4-inch center deck-mounted, typically dual-handle
- **Handles:** Lever or wrist blade handles (ADA compliant options available)
- **Use Case:** Standard in commercial restrooms (e.g., schools, hospitals, restaurants)
- **Valves:** Premium quarter turn ceramic cartridges
- **Spouts:** Cast brass construction
- **Compliance:** ADA, NSF, lead-free certifications

Key Benefits:

- Easy retrofit for standard sink configurations
- Durable construction for high-use environments

With smooth operation and water-saving features, our faucets help reduce maintenance costs and promote sustainability — making them an ideal choice for any facility seeking efficiency and elegance!

Single Hole Lavatory Faucets

Our **Single Hole Lavatory Faucets** offer a sleek, space-saving solution for modern restrooms, combining minimalist design with reliable performance.

General Features:

- **Mounting:** Requires only one hole in the sink or countertop
- **Design:** Typically sleek and modern; lever-operated
- **Use Case:** Preferred in streamlined or space-limited settings
- **Flow Control:** Offered with a variety of aerators and anti-scald features

Key Benefits:

- Simplified installation
- Modern appearance with fewer components

With smooth operation, efficient water flow, and low-maintenance design, our single hole faucets enhance user experience while supporting sustainability!

Metering Lavatory Faucets

Our **Metering Lavatory Faucets** are built for demanding commercial settings where durability, functionality, and ease of use are essential.

General Features:

- **Operation:** Push-button, self-closing (flow stops after preset time)
- **Flow Control:** Timed flow adjustable between 3–20 seconds
- **Use Case:** Water conservation in public restrooms (airports, stadiums, malls)
- **Durability:** Designed to withstand high traffic and vandalism

Key Benefits:

- Saves water automatically
- Reduces wear and tear from constant on/off use

Our faucets deliver long-term value and reliability, perfect for any high volume area seeking superior craftsmanship!

Undermount Lavatories

Our **Undermount Lavatory Faucets** are expertly designed for modern restroom environments where sleek aesthetics are a priority.

General Features:

- **Installation:** Mounted below the countertop for a seamless look
- **Material:** Solid brass construction
- **Use Case:** Upscale or hygienic commercial environments (healthcare & hospitality)
- **Design:** No exposed rim; easier to clean around sink area

Key Benefits:

- Sleek, clean appearance
- Sanitary and easy to maintain

Our undermount faucets offer both functionality and style — making them a smart choice for facilities focused on hygiene, ease of use, and contemporary design!
