Foodservice Parts and Accessories of the Month

Enhance the functionality and cleanliness of your commercial kitchen fryers!

Our **Stainless Steel Splash Guards** are available for fryer walls of both 1" and 1/2" thickness. They provide a durable and easy-to-clean barrier to prevent hot oil splatters, helping to ensure a safer and cleaner cooking environment.

The **L-Shaped Fryer Cleaning Brush** is designed to reach every nook and cranny of your fryer, making maintenance a breeze. Additionally, the **Fryer Clean Out Rod** is an indispensable tool for removing stubborn debris and residues from the bottom of the fryer. This helps to ensuring the longevity and efficiency of your equipment.

With our high-quality fryer accessories, you can maintain a top-notch kitchen operation while also keeping the work environment safe for everyone!
