ASPE 2024 Recap

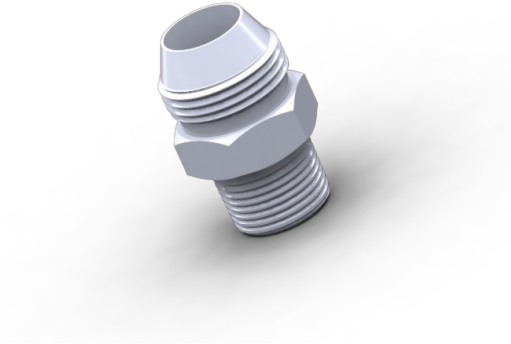

The Krowne Plumbing Sales and Engineering Team attended the
2024 ASPE Convention in Columbus, Ohio!

The convention was a jam-packed two-day event learning, meeting, and connecting with our engineering and representative partners.

We will see you at ASPE 2026 in Oklahoma City, OK!

Looking for Compatible Krowne Parts?

 A screenshot of the Krowne Crossover Search interface. The header includes the Krowne logo and navigation links: PRODUCTS, PORTFOLIO, RESOURCES, CONFIGURATORS, ABOUT, ORDER STATUS, and a search icon. Below the header, there is a breadcrumb trail: Home > Crossover Search. The main section is titled 'Crossover Search' and contains two input boxes separated by an 'OR' button. The first box is labeled 'Crossover a Product' and contains the text 'Enter a competitor's model number to find Krowne's version of that model.' The second box is labeled 'Need Casters?' and contains the text 'Search the manufacturer's model number for the correct Krowne caster.' Below these boxes, there is a note: 'If no caster appears, please email casters@krowne.com'. At the bottom, there is a search bar with the placeholder text 'Type & hit enter...' and a 'Search' button. A disclaimer at the very bottom states: 'Disclaimer: Crossovers are not guaranteed for 100% accuracy. Please verify any alternate model result against your required product specification.'

Searching for compatible Krowne Parts has never been more simple with our implemented **Crossover Search**!

This innovative online search streamlines the often complicated task of finding specific components by offering a user-friendly interface that delivers

real-time answers.

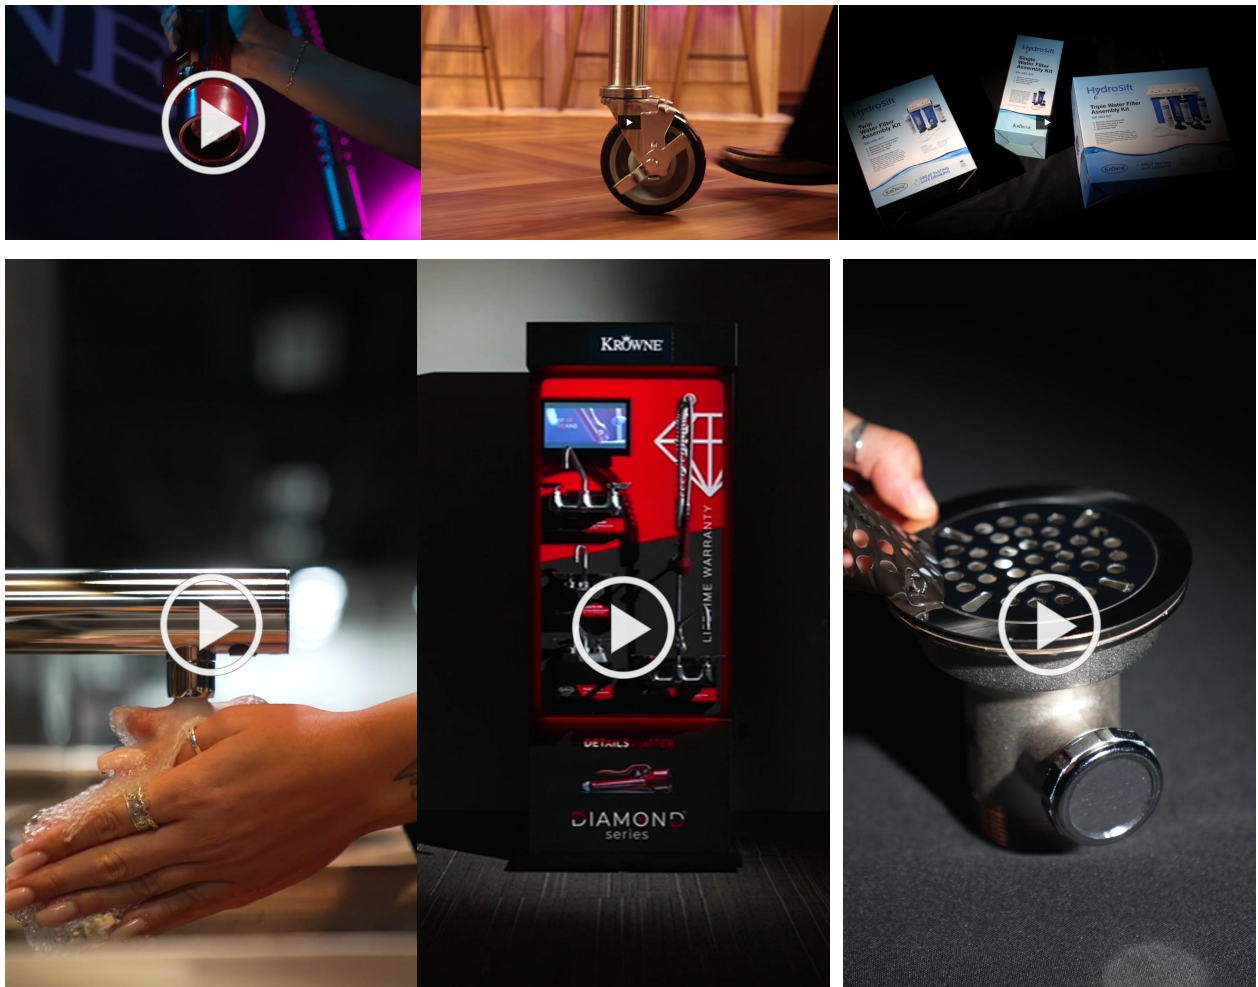

With just a few clicks, users can effortlessly pinpoint the Krowne equivalent product that matches their equipment, delivering a smooth experience for professionals in the foodservice industry!
