New Project Success Team Live!

We are excited to announce our newly formed Project Success Team, as well as the restructuring of our Quotes & Layout Team.

Project Success Team Benefits

- Oversees all bar and beverage dispensing projects from the moment a PO is sent in, through the entire manufacturing process, shipping, delivery, install for beverage dispensing systems, and post-sale support. This new elevated level of white-glove, concierge support stimulates proactive communication from our team allowing you to rest easy when you choose Krowne
- Streamlines the overall project process to eliminate errors and reduce delays from first request to installation
- Improves collaboration and communication throughout the project to ensure high-quality delivery and execution

Quotes & Layout Team Restructuring Benefits

- Centralizes quoting and design by a dedicated individual for all product categories
- Proactive and technical design and quoting support by highly trained expert designers throughout the entire process
- One dedicated designer per project to help improve quote turnaround and layout delivery

We are excited to launch these new teams and look forward to many more successful projects together!

Who are the Krowne BarPros?

Boots on the Ground Representation

Bar Pros conduct hands-on visits, actively collaborating with on-site professionals, helping to enhance functionality of the equipment and tailor solutions for unique client needs

Seamless Design and Technical Expertise

BarPros leverage cutting-edge visual configurators to deliver efficient, personalized bar equipment solutions from start to finish, while their technical proficiency — built through rigorous training and field expertise — makes them invaluable to project's success

Nationwide Coverage

Bar Pros are strategically positioned in each territory to offer personalized design experiences across the USA

Distinctive Identity

Easily recognizable in orange "Krowne on the Ground" shirts, BarPros embody professionalism with our signature kit

This June, we proudly welcomed four incredible new BarPros to our team!

Over several weeks, these rising stars immersed themselves in hands-on training that put their technical skills and customer knowledge to the test, from mastering the details of our

innovative products to showcasing their passion for service.

Join us in giving a huge congratulations and warm welcome to our newest BarPro graduates — we can't wait to see the impact they'll make!

Welcome to the Team BarPros!
