Krowne in Color!

New Look!

Experience **Krowne in color** with the launch of our new configurable color options available on all backbar offerings! We are now offering twenty standard colors and a wide range of custom color options. We also offer the option to add a custom logo to your backbar! This new series utilizes an extremely durable vinyl wrap that will last for years and can be changed at any point for a brand new look and feel.

Krowne in Color!

New Product Launch!

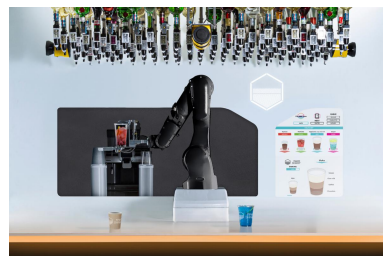

We are excited to announce our new partnership with **Makr Shkr**, a renowned robotics and automation company. This collaboration marks a significant milestone for both companies. **Krowne's** expertise in bar equipment and **Makr Shkr's** cutting-edge technology in robotic mixology will create a seamless blend of craftsmanship and automation, promising customers an unforgettable drinking experience.

The Matrix Unit

The Matrix, Krowne's craft ice storage freezer, provides an innovative solution to store large format ice within the bar line up to keep bartenders efficient and profitable. This durable, all stainless-steel freezer is engineered to help keep the shape and clarity of cubes and spheres with an insulated sliding cover which keeps ice at the optimal temperature while also allowing easy access. Our **Matrix Units** have a compact size with large capacity, making them the perfect solution to maximize space at any establishment!

INTRODUCING

KROWNE®

HOME

WHERE PRECISION MATTERS MOST

Krowne's Home product line offers a range of stylish and functional single-handle kitchen faucets designed to elevate your kitchen's aesthetics and convenience. This collection includes three distinct models to suit various preferences and kitchen styles. The first faucet features a sleek chrome finish and a convenient pull-down sprayer, adding a touch of modernity to your space.

The second faucet boasts a satin finish, providing a sophisticated yet understated look, again with the practicality of a pull-down sprayer. For those seeking a more industrial-inspired design, the third option features an exposed spring and satin finish, making a bold statement in any kitchen. With our Home kitchen faucets, you can enjoy both style and functionality in your culinary haven!
