ALCHEMY SERIES

AL24-AL122-R

In a world where craftsmanship is fading, our **Alchemy Series** stands out as the pinnacle of premium design while keeping the bartender in the forefront of our minds.

Engineered for those who demand both artistry & performance, this series blends cutting-edge technology with bold, elevated aesthetics, redefining what it means to bring luxury & efficiency together behind the bar.

Whether you're curating a high-end hospitality experience or pushing the limits of modern design, Alchemy is more than equipment—it's a statement.

Alchemy Series | Shared Features

Designed at an ergonomic 32.5" working height to improve bartender mobility & eliminate lower back strain

Premium stainless-steel construction

Available on modular bar top, pedestal base, & legs

Fully compatible with Royal Series equipment due to identical 24" front to back depth

Perfect extension of MoveWell Stations as both have working height of 32.5" high and front to back depth

Full Product Line

The Thirty-Eight Lab & Forty-Eight Labs

AL24-LAB38-D

Features

- Provides a more ergonomic work space for the bartender to build drinks on the unit instead of on the bartop
- Recessed pocket under mise-en-place station to store large assortment of dasher bottles and bitters
- Horizontal fully insulated ice bin allows for cold storage of garnishes conveniently located right in front of the bartender

Available On:

The Thirty-Eight Lab: Pull out drawers for maximum storage

The Forty-Eight Lab: Pull out drawers or ultra low profile refrigerated drawers

AL24-LAB48-C
