

MasterTap Auto Gas Changeover

KR-ACO

MASTERTAP™
BEVERAGE DISPENSING SYSTEMS

RELIABLE GAS DELIVERY. ZERO DOWNTIME. MAXIMIZE SAVINGS.

ENSURE UNINTERRUPTED GAS SUPPLY

Automatically switch to backup gas before issues arise.

SAVE BACKUP GAS FOR EMERGENCIES

Automatically switch back to primary gas to save costs and protect reserves.

INSTANT ALARM UPDATES

If backup gas is low or missing, an alarm sounds and a message shows. Users must silence it and take action like servicing or replacing the tank.

DIGITAL DISPLAY & FIELD ADJUSTABLE THRESHOLDS

Customize your setup for smooth, Auto Gas Changeover (ACG) switching between main and Auto Change Back (ACB) backup gas sources.

A VARIETY OF APPLICATIONS

Automatically switch between gas sources to ensure a continuous supply. Designed for beverage gas but useful in many industries.
