DELIVERING A SUPERIOR EXPERIENCE

Quality & Durability

Superior quality and commercial grade durability set Krowne products apart from the competition

Interchangeability

With over 3,500 flexible configurations, we deliver mix-and-match solutions that are interchangeable with major competitors' brands

Water Conservation

Krowne leads water and energy efficiency in commercial kitchens with a broad range of solutions, including low-flow aerators, sensor and metering faucets, hydro-generators, and low-flow pre-rinse spray valves.

Family Owned

Krowne is a family-owned U.S. manufacturer, leading the industry with over 75 years of design and innovation across three generations

Fast Shipping

Backed by over 350,000 square feet of U.S. manufacturing and distribution, most in-stock orders ship within 24 hours

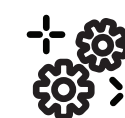

Vandal Resistant

For demanding environments like schools, universities, and hospitals, we offer vandal-resistant aerators and handles configurable on most models

Extensive Product Line

With over 3,500 product configurations, Krowne offers standard, manual, and electronic faucets for a wide range of commercial applications

Highly Configurable

With a large inventory of compatible components, Krowne can mix and match parts to reduce inventory and deliver tailored configurations.

Industry Leading Customer Service

Our highly trained customer service team is always ready to help, with every call answered by a real person
