

MASTERTAP™
BEVERAGE DISPENSING SYSTEMS

GO TANK-FREE. SAVE TIME. BOOST PERFORMANCE.

AUTO CHANGEOVER

Automatically switch back to EZ-generated gas as soon as possible to save valuable fuel.

ETL LISTED

Your safety comes first. Tested by Edison Labs, UL certified.

ENHANCED DISPLAY

Provides users and technicians with key information and lets them respond to alarms.

COMPACT CASING

Easily wall-mount with the included French Cleat, or choose casters/legs or a tank-mount setup to fit your space.

QUIET OPERATION

Built-in air compressor cuts noise, while dual mounts reduce vibration.

ROBUST QUALITY

We prioritize quality you can trust, every step of the way.
